

E                    B                    E  
No I won't be giving up in this race  
      A            B                    E  
I am more, more than a conqueror  
E                                    B                    E  
Now there is no trial that I can't face  
      A            B                    E  
I am more, more than a conqueror

## CHORUS

E                    B                    E  
In myself I might be weak as water  
      A            B                    E  
But with God I'm more than a conqueror  
E                                    B                    E  
In myself I often fail and flounder  
      A            B                    E  
But with God I'm more than a conqueror
